Candidates are required to attend all 12 sessions of Confirmation Prep. If an absence is unavoidable the classwork must be made up. When a session is missed the candidate is missing a 2 hour instructional session therefore the makeup work will require nearly the same amount of time.

If you miss a session you have work to complete **before** the next session and it must be reviewed by your catechist at the next session. Begin by reviewing this sheet and following its instructions.

Optional: Download the “DECISION POINT - Catholic App” to watch videos on the go for convenience.

When a session is missed you must watch all the Video Clips in that session and complete all exercises and questions in that session. If you do not have access to a computer or smart phone to watch the videos you can read the entire Session in your workbook. **See the session schedule on the reverse side to determine which session you missed.** Each session question must be answered in your workbook by writing at least 2 complete, thoughtful sentences. All the exercises in the session must also be completed, i.e., crossword puzzles, etc.

If an important event/activity is missed the candidate will have to make it up outside of class time on their own.

At the next Confirmation Prep session you must show your completed work to your catechist. They will review it. If it is incomplete (less than 2 sentences per question) you will be asked to improve your answers for the questions that require more input.

Periodically workbooks will be collected to ensure that all candidates are following catechists’ instructions and regularly participating in class. If the workbook does not show best efforts by the candidate they may be assigned additional homework to complete and return.
