

Our Lady of Lourdes Church

October 18, 2017

Dear Faith Formation Families,

Our Lady of Lourdes is considering a summer Faith Formation Program beginning next summer. This program will be for grades 3 through 6 and seats will be limited. The program will run for 9 consecutive days beginning at the end of June (possibly June 21, 22, 25-29, July 2, 3, 2018) from 9:00 a. m. to 12:30 p. m. We will monitor school snow days and adjust class time or days as needed. Class content will be curriculum based but will be taught within a highly creative, camp-like environment. This program will meet the Faith Formation requirements for the year; however, families who participate will be required to attend approximately 4-5, family-based, parish events throughout the Faith Formation year (September 2018 through May 2019). Events will be determined at a later date.

Please let us know if you are interested in this program by checking the box below and printing your last name on the line provided. Also provide the grade each child will enter in the fall 2018.

We will need an adult catechist, an adult aide and two high school or college aides for each class. We will also need a nurse. For anyone who volunteers as a catechist, aide or nurse their family will be admitted first to the program. If you would like to volunteer, please circle the position below for which you would like to be considered.

Please return this letter to the Faith Formation Office by November 14th. **This letter is an inquiry, not a registration.** If there is enough interest, there will be an information meeting in February followed by registration in March.

Blessings,

Nina J. Forestiere

Parish Catechetical Leader
908-534-2319, ext. 17
faithformation@ollwhs.org

My family is interested.

(Print Last Name Above)

(Above list grades of each child in fall 2018)

I volunteer to be a **catechist, aide, nurse.**
(If volunteering circle one above.)
